Auxiliary Presents  
Isolette To Hospital**

Women's Auxiliary of Little Company of Mary Hospital announces the presentation of an Isolette to the hospital's maternity department. Mother M. Patricia, administrator of the hospital, stated that the equipment purchased by the women's auxiliary is the fifth Isolette to be added to the maternity facilities of the hospital.

A specially constructed incubator unit for newborn infants, the Isolette completely encloses the infant and is constructed of transparent plastic to enable the nurses to observe the infant at all times. Inside the unit, temperature humidity, and oxygen concentration are carefully controlled. There are special access holes in the plastic enclosure to permit the nurses to care for the infant without removing the baby from the special environment made possible by the unit.

The Isolette is used for many purposes in the care of newborns, including the supply of additional warmth, an atmosphere of controlled moisture content, providing oxygen when necessary, and

Mothers Will Present  
Gift at Club Banquet**

Highlighting the Mother-Daughter Banquet of the South Bay Mothers of Twins Club on April 15 at the Mariner Lodge in Lomita will be the presentation by President Mrs. Glenn Smith of a \$500 check to Mrs. Evelyn Rorabaugh, acting director of the Harbor Area Retarded Children's Foundation.

"We are very pleased," says Mrs. Smith, "to contribute to the Foundation those proceeds from our recent highly successful Fashion Parade. This is the second consecutive year we have selected the Foundation as our main philanthropy as we believe they are doing such an outstanding job with the children."

Mrs. Rorabaugh, expressing her gratitude on behalf of the school, has indicated that most of the funds will be used to purchase much-needed supplies and equipment for the school's Activity Center.

Over 60 daughters, mothers and grandmothers are expected to attend the club's traditional affair at which four specially designated mothers and daughters will be honored with carnation corsages.

Mrs. Donald Eisman, decorations chairman, has arranged to carry out the Mother-Daughter theme with lovely springtime bouquets at each table.

Presenting all of the candidates to be elected in May will be Nominations Chairman Mrs. John Adams.

Social Chairman Mrs. Richard Cassell announces that the Harbor Lites, Barbershop Quartet from the South Bay, will enhance the evening's fun with their vocal harmonies.

**At Torrance YWCA  
Y-Wives Will Present  
Marionettes April 13**

Torrance Y-Wives will present the world famous Bob Baker Marionettes on Saturday, April 13, at the YWCA, 2320 W. Carson St., Torrance.

Because of the complete sell-out last year when the puppet show was sponsored by the Y-Wives here, Baker will give two complete shows, one at 3 p.m. and the other at 4:30 p.m. All children as well as adults of the South Bay area are invited to attend.

The Baker Marionettes, in addition to their "live" performances, have appeared in many motion pictures and television shows. Among their current television credits are the Dinah Shore Show, Ozzie and Harriet, My Three Sons, Hawaiian Eye and the Bozo Circus show.

The Baker troupe believes in bringing the Marionettes and the manipulators in full view of the audience and have done so by pioneering an old art form of "Theater in the Round." By doing this, the audience can completely share in the magical movements of the puppets.

Tickets may be purchased from any member of the Y-Wives or at the YWCA.
